KKKingston Limited Since 1972

Introduction to our Business

KINGSTON COMMERCIAL

Kingston Commercial is a leading supplier of Specialty Chemicals, Manufactured Plastic & Paper Products, and Cleaning & Catering Equipment in PNG. We supply small to large private organizations across a variety of industries as well as Government departments & institutions.

We continue to expand our range of products, and expertise, to cater to the demand of our customers and the growing PNG economy. Recent additions include Industrial Water Treatment products, Mining Reagents and Process Chemicals, plus Road Base Polymers and Cementitious Water Proofing Products aimed at the construction industry.

We attribute our significant market share and success within PNG and the Pacific to the depth and breadth of technical expertise we employ and pass on to our customers. Plus the passionate pursuit of world class product quality and logistical service.

We recognize our responsibility to promote and protect the community and environment upon which we depend and therefore persistently offer environmentally friendly specialty chemicals, detergents, paper and plastic products such as our Enviro range of detergents and biodegradable plastics.

Kingston Commercial is a division of KK Kingston Limited.

KK Kingston Limited

KK Kingston is a leader in the manufacture of plastics, industrial chemicals, paper, cooking oil & consumer goods. KK Kingston has stayed true to its roots and continues to supply machine tools, safety equipment, engineering, construction & other industrial products to PNG's industry sector.

KK Kingston was founded in Lae in 1972 by Keith Kingston and his wife Judy. From our humble origins, KK Kingston Limited has grown to become one of the largest privately owned manufacturing companies in Papua New Guinea. We are proud to employee more than 800 staff, 98% of whom are Papua New Guinean.

SPECIALITY CHEMICALS

Kingston Commercial is a leader in the manufacture and supply of specialty commercial and industrial chemicals. Our offer includes detergents, disinfectants, bleaches, sanitizers, deodorants and solvents, degreasers, and industrial chemicals for the automotive, aviation, marine and other industrial applications. We also offer mining reagents and process chemicals.

Enviro Range

We are very proud of our Enviro Product Range. It has been formulated using the latest technology to specifically provide a full range of environmentally friendly, bio-degradable cleaners and de-greasers.

Our Service

Our provision of quality chemicals is backed up by our industry leading service. We provide staff training in the safe use, handling and storage of our chemicals. As part of our training we facilitate written examinations and certification. We also supply wall charts, Material Safety Data Sheets and Technical Data Sheets. It is in our best interest to ensure our customers use our products effectively, efficiently and safely.

Chemical dispensers and chemical expertise.

We stock and install a range of chemical dispensers to suit your application, from automated digital dosing pumps, to manual syrup pumps.

Chemical and technical expertise continues to be our strength. We have experts on hand to assist our customers from job scoping and evaluation to after sales service.

**MAJORITY OF OUR
CHEMICALS ARE
AVAILABLE IN
5, 20 & 200 LITRE
CAPACITIES**

Detergents

APPLES

All Purpose Detergent

Effective for dishwashing, all surface cleaning including counter tops, walls and floors. Also very effective as a car wash.

12-02-0015.....	5L
12-02-0018.....	20L
12-02-0020.....	200L

GLAZE

Window & Glass Cleaner

Ammoniated glass cleaner formulated for quick removal of grease and build up from glass, mirrors and shiny surfaces.

12-02-0330.....	5L
12-02-0333.....	20L
12-02-0334.....	200L

FORCE 7

Dishwashing Detergent

Used in commercial dishwashers. Dispensed via electronic dispensing pump.

12-02-0361.....	20L
-----------------	-----

MULTIKLEEN

Multi purpose cleaner.

Biodegradable, non toxic multi purpose cleaner suitable for cleaning all hard surfaces in kitchens, washrooms and for housekeeping.

12-10-0003.....	5L
12-10-0004.....	20L
12-10-0005.....	200L

KRISTAL GLASS

Machine Glass Wash

Low Foaming, free rinsing detergent. Also use for hand-washing applications of glassware

12-02-0352.....	5L
12-02-0355.....	20L

SAXON

Detergent Concentrate

Heavy duty detergent concentrate particularly suited for washing greasy pots and pans. Also suitable for all applications involving removal of heavy soils, grease and grime.

12-02-0365.....	5L
12-02-0378.....	20L
12-02-0380.....	200L

SQUIRT

Multi purpose solvent cleaner

Non-flammable alkaline solvent cleaner concentrate. Used in wide variety of degreasing and general cleaning in industrial, institutional, kitchens and catering fields.

12-02-0382.....	5L
12-02-0383.....	20L
12-02-0385.....	200L

DOG SHAMPOO

Hair shampoo, lice & tick eliminator

12-02-0045.....	5L
-----------------	----

FOAMING CHLORINE

Liquid chlorine foaming sanitiser/cleaner. Powerful detergent sanitiser applied through a foaming wand to clean and disinfect ceilings, walls and floors in food processing establishments.

12-03-0025.....	5L
12-03-0031.....	20L
12-03-0035.....	200L

OXY SHIELD

Acid Sanitizer

Non-rise, vegetable and food sanitizer. Also suitable as a colour fast liquid bleach for soak or dispensing into washing machines.

02-03-0040.....	5L
02-03-0043.....	20L

BLACK LABEL

Odourless cleaner / sanitiser.

Approved for use in food preparation areas. Has a very high bactericidal activity against a wide range of organisms. Ideal as a surface cleaner/sanitiser in kitchens and food processing factories.

12-03-0053.....	5L
12-03-0066.....	20L
12-03-0050.....	205L

BLEACH 10% Industrial strength

Bleach. Industrial strength disinfectant, sanitising and bleaching agent. Suitable for general disinfection and sanitising of all hard surfaces. Also suitable for use as a liquid bleach for automatic dispensing into commercial washing machines.

12-03-0106.....	5L
12-03-0109.....	20L
12-03-0112.....	200L

CAROUSEL 3D

Deodorant disinfectant

Highly perfumed quaternary ammonium based disinfectant. Ideal for use in areas where unwanted odours are objectionable. Ideal for kennels and catteries

12-03-0215.....	5L
12-03-0219.....	20L
12-03-0220.....	200L

TIZER Q

No-rinse Sanitizer

Non-rise sanitizing and cleaning. Only requires draining and air drying.

12-03-0226.....	5L
-----------------	----

Disinfectants/Sanitizer

E241

Chlorinated sanitising powder

High in chlorine E241 is suitable for cleaning and sanitising walls, floors, tables and equipment in food manufacturing and processing areas. E241 has a mild foaming action.

12-03-0001.....	25kg
12-03-0002.....	200kg

BREEZE

Detergent/sanitiser.

Pleasant fragranced detergent/sanitiser which has high disinfecting activity against a wide range of organisms. It can be used on all hard surfaces such as floors, counters, work tops and walls.

12-03-0250.....	5L
12-03-0255.....	20L
12-03-0260.....	200L

LEMON FRESH

Lemon Scented detergent & sanitizer

Combined disinfectant and detergent, Lemon Fresh is a powerful deodourant which combines both antibacterial and deodourizing properties as well as a highly effective cleaning performance.

12-03-0807.....5L

HYPINE

Pine scented detergent/sanitiser.

Effective against a wide range of organisms. The pleasant pine scent makes it popular for use as a surface cleaner in housekeeping and wash room areas.

12-03-0830.....5L

12-03-0832.....20L

12-03-834.....200L

DIACHLOR

Powdered detergent sanitiser.

Used in hospitals, food processing and catering. Effective in stain removal from crockery and can be used through fogging machines to sanitise cold rooms.

12-03-1343.....25Kg

HILITE FOOD GRADE

Liquid Soap Without Fragrance

Thick liquid soap. Ideal for face, hand and scalp. Within food process and preparation areas.

12-04-0006.....5L

12-04-0007.....20L

KNUCKLES

Hand cleaning solution.

Germicidal liquid, free rinsing hand cleaning solution for the removal of grease and oil from hands.

12-04-0025.....5L

12-04-0028.....20L

CLEAN HANDS

Heavy Duty Hand Cleaner

Orange Oil heavy duty hand cleaner which is highly effective in cleaning the grimeiest hands while still employing mild ingredients which protect the hands from drying, cracking and dermatitis.

12-04-2025.....4Kg tin

12-04-2030.....20L

ENVIRO GRIT HAND CLEANER

An Environmentally Friendly Hand Cleaner.

Enviro Grit Hand Cleaner is hydrocarbon solvent free and contains a blend of natural ingredients. It provides skin conditioners that soften and moisturize together with excellent cleanig performance.

12-04-2052.....20L

HAND SANITIZER Gel

Hand Cleaner

Waterless Hand Cleaner & Sanitizer.

12-04-2071.....5L

12-04-2075.....12x125ml

Hand Care

HILITE

Liquid Soap

Thick liquid soap. Ideal for face, hand and scalp.

12-04-0005.....5L

12-04-0010.....20L

Floor Chemicals

TIMBER GLOW

Furniture polish.

A technically advanced formulation to penetrate, preserve and restore natural timber.

12-05-0005.....5L

REFLECT

Floor polish.

This is the latest in technology and offers high shine, long life, easy maintenance and good wear resistance.

12-05-0310.....	5L
12-05-0313.....	20L
12-05-0315.....	200L

EXTRACTOR

Carpet cleaner.

Carpet extraction cleaner. Applied through carpet extraction equipment for heavy duty cleaning.

12-05-0550.....	5L
12-05-0556.....	20L
12-05-0558.....	200L

JACK

Floor Polish Stripper

An efficient formulation which strips floors of old polish without the smell of previous generation strippers.

12-05-0645.....	5L
12-05-0648.....	20L
12-05-0649.....	200L

ARC

Floor Maintainer

ARC cleans the floor and also actively repairs and restores the floor seal surface. Regular use retains the shine, saving time and money.

12-05-0815.....	5L
12-05-0820.....	200L

Laundry Chemicals

ECO WASH

Concentrated Laundry Liquid

Eco-Wash is an excellent mild stain remover. It is a soft laundry concentrate, making it kind to clothes, woolen fabrics and blankets, and much preferred over equivalent detergent powders. Eco-Wash is in liquid form and is completely soluble.

12-06-0535.....	20L
-----------------	-----

NEW SUPREME

Laundry powder.

Biodegradable laundry powder with oxygen bleach and stain removing enzymes. Ideal for commercial front loading machines as well as conventional washing machines.

12-06-1002.....	2Kg
12-06-1005.....	25Kg

BLUE ERA

General Purpose Laundry Detergent

Blue Era is a versatile, highly concentrated Laundry Powder with broad application. Low level of foam for greater rinsing, saves water and reduces residue on clothes. It can also be used to clean floors, vehicles, and other varied applications.

12-06-1202.....	2Kg
12-06-1205.....	25Kg

NEW LAUNDRINE

Laundry Powder.

A highly concentrated laundry powder where only half the amount is required compared to domestic powders. Low foaming for domestic and commercial washers.

12-06-1315.....	2Kg
12-06-1316.....	25Kg

ENVIRO PHOSPHATE FREE

Laundry Detergent

It is a biodegradable laundry powder with a broad application and is phosphate free thus greatly reducing its environmental impact. Enviro Phos Free also contains water conditioners to promote cleaning under hard water conditions.

12-06-1316.....	25Kg
-----------------	------

E718

Chlorine powder bleach.

Stabilised chlorine bleach for use in kitchen, washroom and laundry

12-06-1410.....	25Kg

SAFETY BLEACH

Oxygen based bleach

Safety Bleach is a stabilized oxygen-type bleaching compound for use in domestic and commercial laundries and for general use as a safe stain remover. This product contains no chlorine, thus avoiding damage to fabrics and machines by corrosion. It is also environmentally friendly having no chlorine component.

12-06-1450.....25Kg

STARCH

Fabric stiffener.

For stiffening fabric, in particular tablecloths and napkins.

12-06-1502.....25Kg

LAUNDRI BREAK

Laundri break.

Concentrated alkali used in the break step in commercial washing machines. Dispensed via automatic laundry dispensing system.

12-06-9005.....20L

LAUNDRI SUDS

Liquid laundry detergent.

Laundri Suds can be used as stand alone detergent or be combined with Laundri Break in the detergent steps in a commercial washing machine. Usually dispensed via automatic laundry dispenser.

12-06-9015.....20L

LAUNDRI SOUR

Liquid sour.

Dispensed via automatic laundry dispenser into the rinse cycle to neutralise alkalinity to skin ph levels so as to prevent skin irritation and to avoid textile damage.

12-06-9025.....20L

LAUNDRI SOFT

Fabric softener

Fabric softener. Can be dispensed manually or by automatic laundry dispenser.

12-06-9032.....5L
12-06-9030.....20L

LAUNDRI OXYBRITE

Liquid oxygen bleach.

Suitable for automatic laundry machines for gentler bleaching action

12-06-9035.....25Kg

OXYSHIELD

Liquid oxygen bleach.

Suitable for automatic laundry machines for gentler bleaching action

12-06-9035.....25Kg

LAUNDRI PREWASH

Laundry stain remover.

Solvent prewash spray. Assists in removing stubborn stains.

12-06-9045.....5L
12-06-9040.....20L

Toilet & Bathroom

CARESSE

Cream hair & body shampoo.

Luxurious cream shampoo for all over body and hair use. Contains Tricloran, an anti bacterial agent for hygienic protection

12-07-0010.....5L
12-07-0012.....20L

DOVER

Mould remover.

Powerful mould and mildew destroyer. Penetrates porous surfaces and attacks mould spores.

12-07-0025.....5L
12-07-0030.....20L

ZIPPITY

Liquid acid detergent cleaner.

Zippity cleans and deodorises toilets, urinals, showers and basins. Excellent on porcelain, enamel and stainless steel. An extremely effective product.

12-07-0095.....	5L
12-07-0098.....	20L

FOREST FERN

Room air freshener & deodorant

Eliminates unwanted odours by absorption, replacing stuffiness with a pleasant Forest Fern fragrance. Aids in control of Staphylococcus Salmonella Typhosa, Escherichia Coli and is designed for use in hospitals, Restaurants, Schools, Sick bays, Hotels and public places.

12-07-0116.....	5L
12-07-0114.....	20L

TROPICAL FLOWERS

Room air freshener & deodorant

Eliminates unwanted odours by absorption, replacing stuffiness with a floral fragrance. Aids in control of Staphylococcus Salmonella Typhosa, Escherichia Coli and is designed for use in hospitals, Restaurants, Schools, Sick bays, Hotels and public places.

12-07-0120.....	5L
12-07-0121.....	20L

SUNNY LEMON

Room air freshener & deodorant

Eliminates unwanted odours by absorption, replacing stuffiness with a pleasant Lemon fragrance. Aids in control of Staphylococcus Salmonella Typhosa, Escherichia Coli and is designed for use in hospitals, Restaurants, Schools, Sick bays, Hotels and public places.

12-07-0122.....	5L
12-07-0123.....	20L

AIR FRESH

Aerosol air freshener & deodorant

Used to mask household odours with a pleasant fragrance of white Jasmine.

12-07-0126.....	250g
-----------------	------

LEMON BUTTONS

Toilet deodorant.

Toilet deodorant blocks which deodorize and give off a pleasant fragrance in the urinal areas

12-07-2052.....	4Kg
12-07-2055.....	16Kg

Kitchen

PLUS

Powdered machine dishwash detergent.

Heavy duty dishwashing detergent for dishwashing machines. Can be used in domestic and commercial machines.

12-07-0147.....	4Kg
12-07-0150.....	20Kg

RINSE AID

Liquid rinse additive.

Liquid rinse aid for machine dishwashers. Usually dispensed via an electronic dispensing pump. Suitable for commercial and domestic machines.

12-07-0164.....	20L
-----------------	-----

CLOCKWORK

Oven cleaner.

Heavy duty cleaner for decarbonising ovens, stoves and kitchen equipment. Can also be used for spray and steam cleaning.

12-07-0180.....	5L
-----------------	----

CHLOR POWER

Chlorinated foaming powder cleaner.

Chlorinated foaming, scouring powder with effective bactericidal properties. Effective for cleaning washrooms, toilets and kitchen surfaces.

12-07-1004.....	4Kg

Heavy Duty Industrial

SILICON

Silicon cleaner and lubricant.

Multipurpose uses from car detailing of plastic and rubber surfaces through to providing a protective covering for the insides of ovens and rotisseries. Can also be used as a release agent.

12-08-0100.....5L

MIRACOIL

Air conditioner cleaner.

An acid free product which works quickly to deep cleanse surface corrosion on air conditioner coils.

12-08-0475.....5L

12-08-0480.....200L

FOAMING ALUMINIUM

Cleaner

Foaming Aluminium cleaner is designed to clean Aluminium using a foaming etching action. The foaming helps to penetrate and remove scale build-up. Cleans and brightens surface.

12-08-0540.....5L

E418 ACID POWDER DETERGENT

A Sulfamic acid based powder for use in acid treatment of food processing equipment.

12-08-1856.....20Kg

TYRE RESTORER

Tyre cleaner

Restores and cleans tyres. Particularly suited for effective detailing.

12-08-0820.....5L

WHEEL SAVER

Wheel corrosion inhibitor

Corrosion inhibitor for earthmoving equipment and tractor wheels. This product is specifically designed for use in the wheels / tyres of heavy duty mining or agricultural equipment. Wheel saver is formulated for use undiluted, it also contains dyes to indicate leakage from the tyres.

12-08-0830.....200L

ELECTROSOL

Evaporating solvent cleaner

Combination of selected solvents formulated exclusively for cleaning and degreasing electrical components. Evaporates quickly leaving no residue.

12-08-0868.....4L

12-08-0872.....20L

TERGACID

Derust & descaler.

Hydrochloric Acid based compound used in the removal of rust and scale from ferrous metals. Inhibited to avoid metal attack NZ MAF approved.

12-08-0890.....5L

E910

Degreaser.

Blend of solvents and emulsifiers formulated for grease and oil deposit removal. Used cold in cold tank immersion, brush application or low pressure spray. Can be used for oil spillage on floors, automotive degreasing and machinery degreasing.

12-08-0937.....20L

12-08-0939.....200L

TERGOPHOS

Rust remover.

Phosphoric acid based cleaner containing detergent, solvents and a corrosion inhibitor. Effective on aluminium, galvanised iron and mild steel.

12-08-0920.....5L

12-08-0922.....200L

ENVIRO CLEANER

All purpose cleaner.

Environmentally friendly, biodegradable all purpose cleaner and broad spectrum disinfectant. Contains naturally derived solvent (orange oil). Suitable for all hard surfaces in kitchens, food processing plants, washrooms, workshops, housekeeping and floor cleaning

12-08-0982.....5L

12-08-0984.....20L

12-08-0986.....200L

FRP CLEANER

Fat removing powder.

Heavy duty detergent powder for industrial soak tank degreasing and for cleaning greasy, fatty workshop floors and equipment. In solution can be used to dissolve rust, decarbonise steel engine blocks and valves.

12-08-1230.....25Kg

ARDROX 1900B

Aircraft cleaner. Heavy duty, thixotropic, alkaline cleaner for the exterior and interior cleaning of the aircraft and ground handling equipment. It can also be used as a decarboniser for engine and component cleaning. It is pleasantly scented and the surfactants employed in the formulation are completely biodegradable.

12-08-0305.....20L
12-08-0306.....200L

ENVIRO TRUCKWASH

Biodegradable, phosphate free truck and vehicle wash. Contains no caustics or solvents. Contains TFR (Traffic Film Remover) and corrosion inhibitors and anti static agents to reduce dirt pickup. Can be used through high pressure washers or by hand. High dilution rate makes this a very economical product.

12-08-0953.....5L
12-08-0955.....20L
12-08-0957.....200L

IMPACT

Heavy duty caustic degreaser.

Heavy duty powdered detergent for cleaning floors, grease traps, stove parts and grill plates.

12-08-1625.....20Kg

BARREL KLEEN SAFE

Concrete Splash Remover.

Specially formulated to rapidly remove concrete splash. Performs like strong acids but is NON-CORROSIVE to metals thus protecting equipment from CORROSION

12-08-0902.....200L

ENVIRO DEGREASER

Enviro Degreaser is water based environmentally friendly, biodegradable degreaser that is formulated with naturally renewable organic solvents (orange oil). The product is phosphate free and meets the most stringent environmental standards. Enviro Degreaser has no known hazardous decomposition products, has quick break properties and is suitable for use with oily water separators. Ideal for the cleaning and degreasing of machinery, industrial equipment, concrete floors and general degreasing.

12-08-0965.....5L
12-08-0962.....20L
12-08-0060.....200L

ENVIRO FAST BREAK DEGREASER

Environmentally friendly, biodegradable degreaser with enhanced quick break properties. Enviro Fast Break Degreaser has similar properties to Enviro Degreaser but with enhanced quick break properties. 95% of the break process occurs within 3 minutes with the process almost complete in 10 minutes. This product is one of the most technically advanced quick break degreasers available.

12-08-0976.....5L
12-08-0978.....20L
12-08-0980.....200L

RED BARON

Concentrated solvent cleaner.

Superior alkaline solvent detergent which is designed for quick and efficient degreasing and general cleaning operations in industrial, automotive, institutional kitchens and catering fields. Excellent greasy floor cleaner. Even removes betel nut stains.

12-09-0010.....5L
12-09-0013.....20L
12-09-0015.....200L

Process Chemicals

DEIONIZED WATER

Diluent for battery electrolyte, or used in circumstances where pure water is required. Laboratory use, reagent/ laboratory applications.

12-06-0022.....20L
12-06-0025.....200L

HYDROCHLORIC ACID 33%

General chemical acid

Used in a variety of applications including the controlling of water pH levels in swimming pools.

12-08-0888.....1170Kg
12-08-0889.....280Kg

CAUSTIC SODA PEARL

General chemical alkali

Used in a variety of processes as a reagent, pH modifier and neutralising agent. Gold processing, pulp paper, food additive, detergent processing, vegetable oil refining, textile processing and reclaiming rubber to name some applications.

10-02-0001.....25Kg

EXIT SCALE

De-scaling agent

Clean up and de-scaling agent for cooling water systems.

12-08-2010.....20L

SODIUM HYPOCHLORITE 10%

Liquid Oxidising Agent

12-03-0110.....1000L

Bullen Chemicals

AIRX32

Bio-enzymatic drain cleaner.

Uses environmentally friendly bacteria that rapidly attack blockages freeing the flow of water. Used for kitchen drains, septic tanks, grease traps, sullage pits and bush toilets.

12-13-0325.....5L
12-13-0331.....20L

AIRX44

Hospital grade disinfectant/cleaner.

Highly effective hospital disinfectant cleaner which meets EPA requirements to kill Hepatitis B as well as HIV, Pseudomonas, Aeruginosa as well as a wide range of gram negative and gram positive bacteria.

12-13-0444.....5L
12-13-0442.....200L

AIRX66

Bio-enzymatic odour digester.

Combination of odour eating bacteria, cleaners and airicide odour counteractant. Attacks foul odours caused by organic matter. Useful in attacking blocked kitchen drains, sewers and grease traps where it destroys the blocking organic matter and cleans the system in the operation

12-13-0665.....5L

AIRX75

Heavy duty cleaner.

Heavy duty anti-bacterial cleaner. Quaternary ammonium based disinfectant cleaner that kills the Tuberculosis bacilli in addition to a broad range of gram negative bacteria. Use as a spray and wipe cleaner.

12-06-0888.....1170Kg

Swimming Pool Chemicals

CRYSTAL WATER

Pool water polishing chemical

It is designed to be added to swimming pools to give Crystal Clear Water. Crystal Water is a combination of secondary Algaecide, Microbiocide and Flocculant/coagulant.

POOL TEST KIT

The ideal item to maintain and service your pool. They provide pool owners with fast and accurate pool water chemistry analysis. The 2 in 1 test kit features a chlorine and bromine test and a pH test. The 4 in 1 test kit features a chlorine and bromine test, a pH test, a total alkalinity test and an acid demand test.

PAPER PRODUCTS

Kingston Commercial is a leader in the manufacture and supply of commercial restroom and catering paper products in PNG – including toilet paper, paper towels and paper napkins. We also manufacture, package and supply 'own brand' paper products for some of PNG's largest retailers and distributors.

Paper dispensers and free on loan agreements

As part of our service, we provide a range of paper dispensers. In most cases these are provided in a free-on-loan basis, whereby our customer is loaned the dispensers on the proviso that our paper products are stocked to replenish the dispenser.

Recycled Paper

We are proud to use recycled paper in the manufacture of our paper products. We are committed to sustainable sourcing in our supply chain operations, wherever possible.

CLEANING & CATERING EQUIPMENT

Kingston Commercial is a leader in the supply of commercial cleaning and catering equipment. Our product range includes commercial washing machines, laundry dryers, floor polishers, vacuum cleaners, pressure washers, dishwashing machines and a wide range of kitchen catering equipment. We also supply consumables and hold parts to service the range of equipment we stock. We are committed to providing excellent products from top quality international brands.

Our service

At Kingston Commercial we have built the technical expertise to provide professional solution design and product recommendation. We also install and provide back-up service and parts for the products we sell. We understand that you need to be able to rely on us, especially if your equipment is key to your operations.

Plastic Products

PLASTIC PRODUCTS

Kingston Commercial is a leader in the manufacture of customized plastic bottles and packaging in PNG and the Pacific. Using world class technology and expert technicians we manufacture a full range of plastic products tailored to suit customer needs. Our products are produced in Polyethylene, Polypropylene, PVC and PET. We currently produce a wide range of bottles, caps, safety caps, containers and food trays.

Quality Assurance and ISO Certification

We are proud to be the supplier of choice to a number of major multinational beverage manufactures. In order to meet the high quality requirements of these key customers, KK Kingston has achieved ISO 9000 certification. In the factory, quality assurance is overseen by dedicated staff. They are trained and accredited professionals, who work in a specifically designed and equipped laboratory.
